Picnic Table- Outdoor dining is all the rage now! Help build a picnic table for a future homeowner or for us to sell at our ReStore! Proceeds would go towards helping to build a home. Kits can be purchased at home improvement stores.

Tool/Garden Caddy- Every homeowner knows how important a good set of tools are! Set our future homeowners up for success by filling a caddy with standard tools (hammer, screwdriver, etc.). You can include some gardening tools as well!

Adopt a Room- Many of our Homeowners are starting fresh with their Habitat Home and may not have many things we all need or want to make a place feel more like home.
